Sale With Commitment to Insure a Resale (110% Hold Open Policy)

This section applies under two circumstances:

1. When the transaction involves the initial issuance of a commitment to a purchaser, usually an investor, who plans to resell the property within one year. The policy will be issued upon a single resale to the ultimate purchaser within one year of the date of the sale.

The rate is 110% of base rate of the purchase price, unless the initial conveyance qualifies for the refinance/reissue rate. If the initial conveyance qualifies, the rate shall be the refinance/reissue rate plus 10% of the base rate. The agent shall remit based on 100% of the base or refinance/reissue rate premium and retain the additional 10% for administrative fees for holding the commitment open.

2. When there is a resale after a foreclosure. The foreclosing lender wants to provide a third party purchaser with an owner's policy when they sell the REO property. In this situation, the commitment may be held open for a period of two years.

The rate is 110% of base rate of the purchase price. The agent shall remit based on 100% of the base rate premium and retain the additional 10% for administrative fees for holding the commitment open.

This rate does not apply to refinance transactions and the customer must request the hold open policy when placing the initial order. It is only available for a one-time hold open transfer (extensions are not available).

The premium is payable in full at the initial purchase transaction.

If at resale the policy to be issued is for a greater amount than that proposed in the commitment, the increased liability shall be charged at the applicable base rate.

Owner's Policy Following Foreclosure, Public Trustee Sale or Deed in Lieu of Foreclosure

This rate applies to 1-4 Family Residential Property when:

1. The policy is insuring the grantee of a Confirmation Deed, Sheriff's Deed or Deed in Lieu of Foreclosure, or
2. The policy is insuring purchasers from the Grantee of the Confirmation Deed, Sheriff's Deed or Deed in Lieu of Foreclosure.*

The rate is 65% of base rate of the purchase price. No discounted rates, including the reissue rate, apply if this rate is applicable.

**This includes when there is an intermediary convenience transfer between banks or to Fannie Mae, HUD or the Veterans Administration.*

Simultaneous Policy Rate

When two or more policies covering identical land are to be issued simultaneously and to the extent the aggregate liability of all loan policies issued concurrently with the owner policy **exceeds** the liability amount of the owner policy, the applicable rate shall be charged for the owner policy. Insurance in excess of the owner policy liability amount using the basic rate schedule should be added to the simultaneous amount of \$130 for Zones 1 and 2 and \$120 for Zones 3 and 4 and charged for on the first loan policy. The subsequent policies shall be charged in the amount of \$130 per policy for Zones 1 and 2 and \$120 per policy for Zones 3 and 4.
